

Greystones & Delgany SEC

Solar Meitheal Programme

**Start Using
Free Energy**

Who We Are / What We Do

- Volunteers helping our local community accelerate towards a sustainable future
- Subcommittee of Greystones Tidy Towns
- Website at greystonesgreenenergy.ie
- Contains sustainability articles, our local area Energy Master Plan, booking forms for our Solar Meitheal & Free Home Energy Audit Programmes
- Insulation Meitheal coming soon

Meet Dave

- Receives a massive surprise ESB bill
- Has covered the basics of insulation, draft proofing, etc, but knows he could still reduce home energy consumption
- Likes idea of solar, but no clue where to start
- Lots of uncertainties – doesn't know if he has a suitable roof, how many panels he needs, what it would cost, potential payback period, what grant aid is available & how to get it, which solar installer to approach
- Hears about our Solar Meitheal Programme

Participant Testimonials

Thanks very much for your efforts in using collective bargaining to find us the best financial deal. Excellent all round!

Mark - Delgany Wood

It was very reassuring to be part of a bigger group getting a better deal than having the uncertainty of going it alone.

Joyce - Redford Park

Approx Timeline

28th September	Annual Programme Launch
17th October	Deadline for Participation
18th October	Qualify Participants
